# School Package

Schools, we've got you covered too! School package option allows for unlimited access.

A dark blue pricing card with rounded corners, set against a light purple background. The card features a 'MOST POPULAR' badge in the top right corner. The price '\$89 /month' is displayed in large white font. Below the price, the text 'School package' is written in a large white font, followed by the description 'Automation plus enterprise-grade features.' in a smaller white font. A list of five features is shown, each with a white checkmark icon in a dark blue circle. At the bottom of the card is a purple button with the text 'Choose plan' in white.
