

Quiet Room

Digital space, for better learning

QUIET ROOM

DIGITAL SANCTUARY FOR FOCUS & CALM

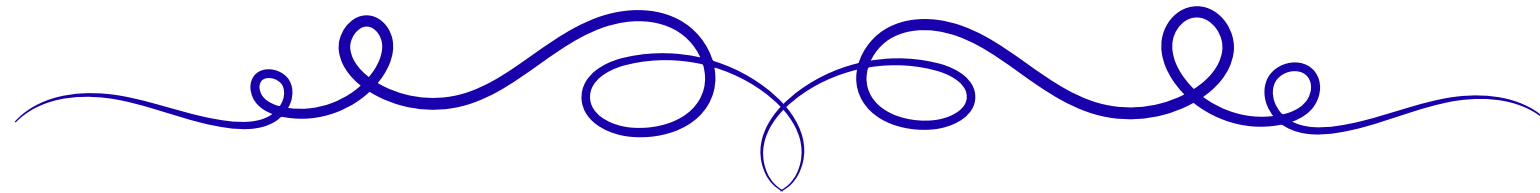

"The Hidden Barrier to Learning"

For many neurodivergent or anxious students, the challenge is not a lack of will, but the environment.

The Three Pillars:

1. Calm

2. Personalized AI

3. Hybrid Human Support

Target:

Students of all ages

Transferable to workplaces

Innovation

This enables many students to better understand the lessons, while also assisting the faculty.

Sustainability

Educational Equity: Provides targeted access and support for neurodivergent or anxious students.

Thank you for your attention.
