SoftGiant

AI-Powered Luxembourgish Tutor
-EasyLanguage

Personalized. Inclusive. Transferable.

Problem

—

1. **Learning language is hard and expensive.**
   a.   It takes years to master it and you need a professional tutor to help you.

2. **Comparing to other major european languages, Luxembourgish learning materials are relatively scarce.**

Solution

SG

Mastering a Language

Speak	Listen	Write	Read

Solution

Solution

Our Solution is Inclusion

—

- **Our solution makes language learning truly inclusive — anyone, regardless of background, education level, or interests, can use our app.**
- **Our solution is affordable.**

Our Solution is **Transferability**

- **Our solution can apply to other low resources languages, e.g. Icelandic**

Our Solution is **Original**

—

- **Everyone focuses on the common languages but forgets the little guys.**
