Mexico City, Mexico

WHY THIS?

Según la CONEVAL, uno de cada cinco alumnos en México sufre de rezago educativo.

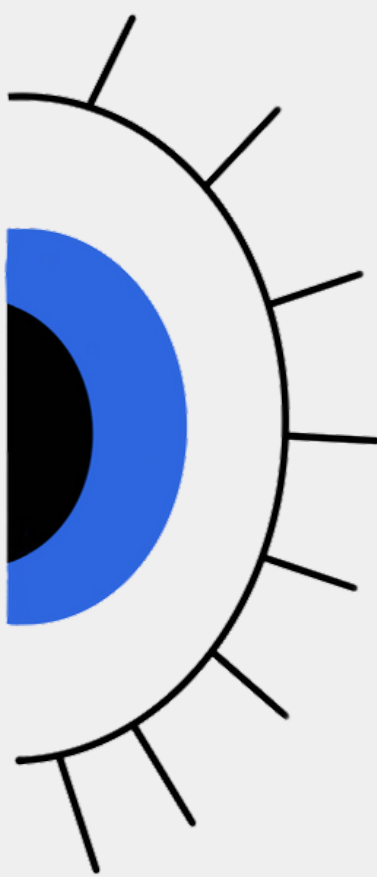

OUR HARD FACTS

- De acuerdo con la OMS una de cada ocho personas en el mundo padece un trastorno mental (1 billón de personas), lo que es equivalente a la población de todo el continente americano.

- En 2019, 40 millones de personas, incluidos niños y adolescentes, sufrían un trastorno de comportamiento disocial (OMS, 2021).

LEARNING ASSESSMENT

The illustration shows a smartphone screen with a learning assessment app. At the top is a stylized eye icon with a blue iris. Below it are three questions, each with a blue number and a question mark. Question 01 asks about learning style with three blue buttons: 'visual', 'listening', and 'active'. Question 02 asks about strengths and weaknesses with a blue line for text input. Question 03 asks about information processing speed with three blue buttons: 'Quick', 'Medium', and 'Slow'. At the bottom is a black button with white text that says 'FILTER TEACHERS'.

01 Are you a ____ learner?
visual listening
active

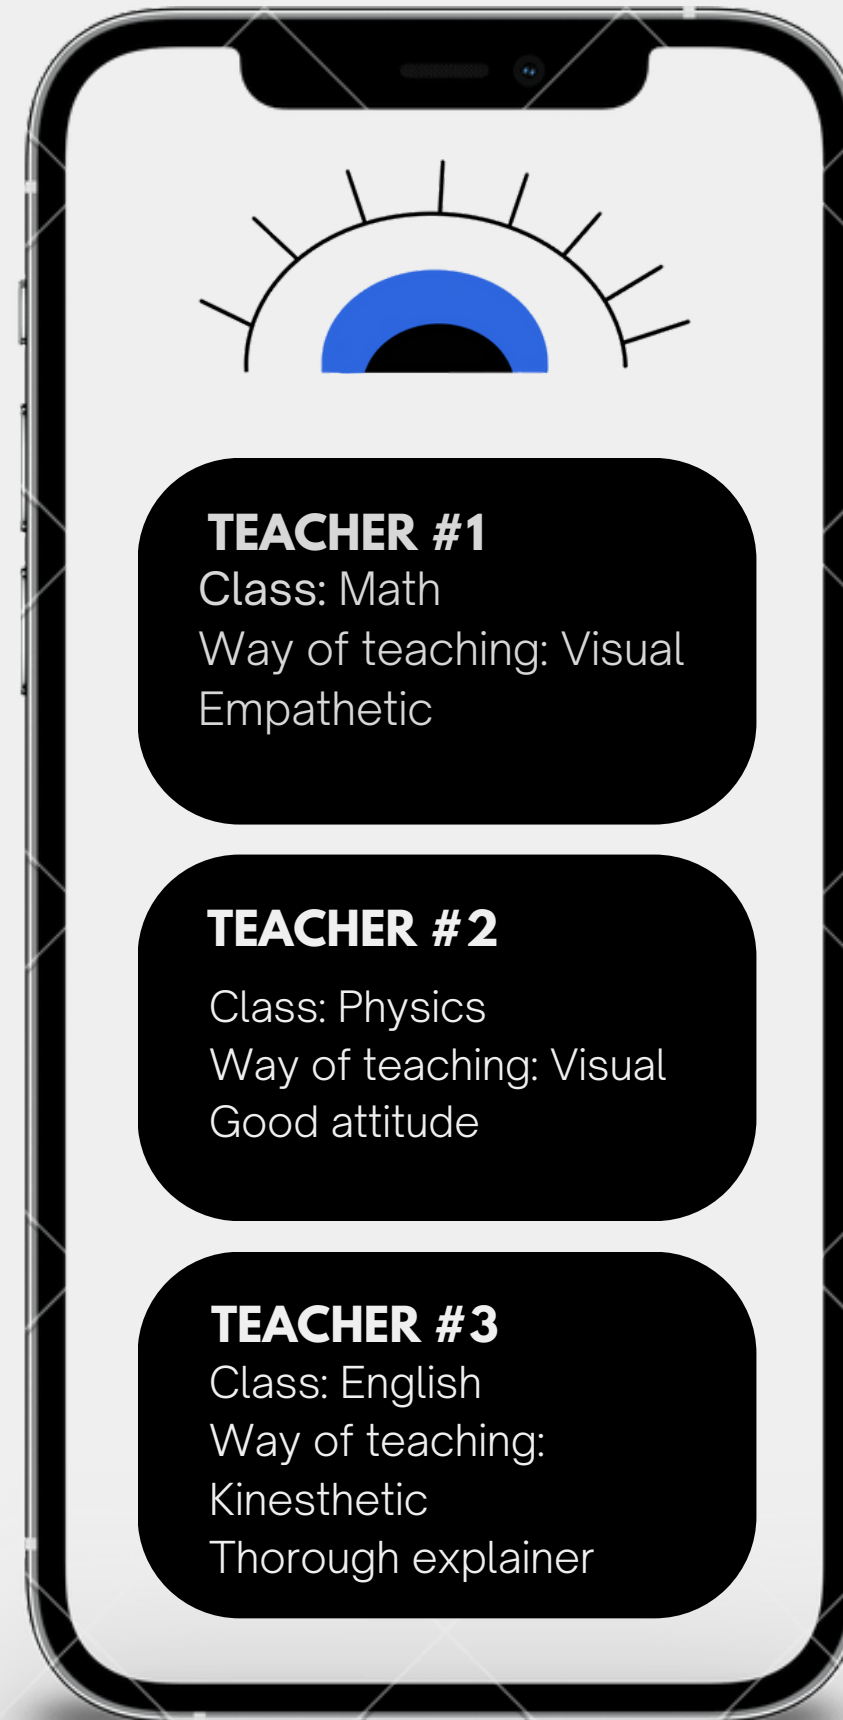

02 What are your strengths and weaknesses?

03 How quickly do you process information?
Quick Medium
Slow

PROFILE

STDNT

@naap

Imagine if groups at school were made using a Pokedex system. No beef with your teach, just learning the way you need to, with the people you need to.
