

DiGiNNEduHack: Pioneering Tomorrow's Education with Emerging Tech

Day 1: Friday, 8 November

12:00 - 12:30 Cyprus time

Opening session

Join us for an inspiring kickoff! Get to know your organisers, mentors, and the challenge in more detail at the opening session. We will also review the evaluation process and what the judges will be looking for, as well as the practicalities of how to submit your project on the final day.

12:30 - 13:00 Cyprus time

Revolutionizing Education: Harnessing AI and Virtual Reality for a Future-Ready Classroom

Dive into the world of cutting-edge technologies like Artificial Intelligence and Virtual Reality, and discover how they are set to transform digital education as we know it. Explore groundbreaking opportunities for personalized learning, enhanced accessibility, and innovative teaching and assessment methods.

13:00 Cyprus time

Hacking and Mentoring Begin!

Your mentors will be there for you for your support either physically or virtually.

Day 2: Saturday, 9 November 2024

10:00 Cyprus time

Pitch Submission Deadline

All teams should submit their pitch by 10:00.

10:00 - 11:00 Cyprus time

Pitching and Jury Q&A

Time to compete! Present your solutions to the judges and answer their questions before they enter jury deliberation to determine the winner!

12:00 Cyprus time

Awards and Closing Ceremony

Join us for the final announcement of the winners of the hackathon and awarding of the winner! We will also wrap up the event together and snap some photos.
