

DigiEduHack Challenge The Learning Experience

Learning beyond 24/7

How to enhance learning?

With the presence of technology tools, learning has become anytime anywhere, any place. Learning extends beyond the classroom and class hours. We only have 24 hours and it is difficult to manage time. How can we harness technology to manage time better for teaching and learning?

Co-create the future of education together with SUTD!

Join our DigiEduHack to connect with other educational professionals, innovators and entrepreneurs to co-create the future of education. Help us solve the challenge turn your vision into reality and showcase your solutions on a European and global scale. Experts and mentors will support your team during the 24 hours in finding the best solutions to the challenges.
