

DigiEduHack Challenge The Learning Experience

Messy World

How to enhance learning?

Learning is about restructuring and reformulation of information into usable knowledge. So learning is all about organization of information. Searches can be unstructured and this can make our learning a random journey that is unstructured. How to make this more organized?

Co-create the future of education together with SUTD!

Join our DigiEduHack to connect with other educational professionals, innovators and entrepreneurs to co-create the future of education.
