What is a “hackathon”?

Hack(*ing*) **+** (*mar*)**athon**

What is DigiEduHack?

- Flagship initiative of the EC that aims to foster grassroots innovation, collaboration and creativity and to drive positive change in **digital education**.
- **24-hours local hackathons** taking place worldwide over a period of 8 days. Open to **anyone** regardless of technical skill level! *We are looking for ideas as well as technical solutions as a result of these hackathons.*
- Annual theme 2023: **Putting people at the centre of digital education**
- First implemented under the Digital Education Action Plan 2018-2020, and continues under the Digital Education Action Plan 2021-2027.
- The initiative has strong synergies with the European Digital Education Hub.
